

# Buildings A&B

These identical buildings measure 27,700 square feet on the main floors and 8,600 square feet on each mezzanine. They share a lobby, concession stand and three restroom locations, making them ideal for trade and consumer shows such as the Home & Garden Show and RV Shows. While a perfect complement to one another, either building can be utilized individually depending on your needs.

<b>Square footage</b>	Main floor 27,700, mezzanine 8,600
<b>Main floor dimensions</b>	224'5" L x 128'7" W
<b>8 x 10 booths</b>	210
